No one's Pov

It was a bright and sunny day and the guild members were doing what they usually do. Most members were fighting with Erza stepping in when her cake got smooshed. Cana drinking, Juvia fawning over Grey and Elfman spouting 'Man' every second. Just a normal day in Fairy Tail. All of a sudden the guild doors bust open.

Lucy's pov

I was sitting at the bar when all of a sudden the guild doors opened and there stood Lahar, Doranbolt and the Custody Enforcement Unit. Every member immediately froze. Lahar stepped forward.

"I wish to speak to her majesty Lucy Heartfilia the queen of All." He asked. Immediately all the guild member faced me. 'Shit my covers blown' I thought.

"Lucy what are they talking about?" Asks Erza.

I sighed and then went on to explain how I was the queen of all the races, dragons, demons, angels, phoenix's, gods, so on and so forth.

"Really!" all the dragon slayers answer except Laxus.

"Open the gates of the fire dragon, iron dragon and sky dragon; Igneel, Metalicana and Grandeeney." I summon them.

Poof All three dragons appear. In human form. "What can we do for you your highness?"

I point over to the three dragon slayers that have tears in their eyes. They charge for their parents. There are hugs and more hugs.

"Ahem"

I look over and see that Lahar was the one to clear his throat. 'Oops I kinda forgot about them.'

"Sorry what can I do for you?"

Lahar's Pov

I was watching the scene unfold in front of me.

"Ahem" I clear my throat.

I see Miss Heartfilia turn. "Sorry what can I do for you?"

"There is a topic of great importance that needs to be discussed in private." I reply.

"Very well." She then leads us to a table and after we sit down she creates a sound barrier.

"Now we are here to discuss a very delicate matter. It's about E.N.D we have discovered his true identity."

Lucy's Pov

'What, how, no, this can't be happening. Calm down, yeah got to calm down.'

"You have?" Was all I said trying to make a surprised and curious expression.

"Yes we have discovered that E.N.D is actually the dark wizard Zerf's younger brother." Lahar replies.

'Okay so they haven't figured out who E.N.D really is. I would have thought someone might have researched and found out Zeref's last name.'

recalled the night before. We had taken a small job, to be rid of some bandits. We never had suspected them to be wizards, although we got the job done, We got pretty beat up. "Ugh" I'm still upset he's here, but for now, ill let him sleep, but when he wakes up he'll be in a world of pain.

I recalled last nights dream "Queen Lucy Heartfelia" I thought. To bring back the dragons for my friends, but what was E.N.D it was a dream so I shouldnt take it too seriously. but then again, It had seemed so real.
